Friday 7 Jan	Depart Jervis Bay for Port Hacking/Bundeena (approx 65 miles)

Sunday 9 Jan	Return to Pittwater (approx 35 miles)
Monday 10 Jan	Continue our cruise up the Hawkesbury/Cowan Creek.

We can move things around by a day or 2 to suit weather.

If there is not a suitable weather window to head South to Jervis Bay we can consider exploring the Western reaches of the Harbour and also Middle Harbour.

Our plan is to cruise in company, especially if travelling during the hours of darkness. This will mean staying in visual contact with the “mother ship” and may require some motoring when the breeze drops at night.

If you intend to join in for the cruise please let me know by 15th December so we can plan a skippers meeting before the Christmas holidays are on us.
